5.1. Trustee's Report (Robert Lee)

Report was submitted as part of the PAC Meeting package, ahead of this meeting, which included highlights from the School District 22 Regular/Public Meeting held Dec 16, 2020.

In review, Robert noted: the new volleyball facility being built in Vernon across from Butcher Boys Grocery (Sky Volleyball), new school district Academies have been approved for volleyball and dance for September 2021, a hiring process for the new Superintendent has begun, bus transportation review and new policies are now heading into their 3rd reading (Robert Review common Q & A's regarding busing and the proposed changes).

Robert Lee exited PAC meeting after his report.

5.2. Lavington School Teacher Report (Debbie Vandesande)

Extra money approved from the PAC for teachers has been spent or orders for supplies have been placed. Thanks to PAC for their support.

Fieldtrips will be tricky re: Covid restrictions this year and the need for each class to have their own bus (no shared bus service between classes).

The school community is generally happy, kids are great, x-mas concert and farewell for Lance went well.

A question was asked by a PAC member about the Community Garden and whether anything was needed from PAC to start in the spring? This will be brought up with the teacher organizers and reported back to PAC via Nigel. **ACTION**

Debbie Vandesande exited PAC meeting after her report.

5.3. Lavington School Principal Report (Nigel Maccagno)

Nigel offered a big thanks for the support during the transition to having him as our new Principal. All is going well and he is excited.

His verbal report included: virtual registration for Kindergarten & student transfers will start Jan.15, Midyear progress reports will be delivered Feb.5 along with instructions on how to access MyED BC, FSA (Foundational Skills Assessments) for grade 4-7 will take place Jan 18-Feb 26, and Preschool at Lavington will resume Feb.1, 2021.
