Covid-19 Reminders/Expectations

Parents:

- 1) Daily Health Checks: If your child has any symptoms, please continue keeping them home. If you are uncertain of the severity of the symptoms, please contact 8-1-1 for direction or see the link below.

<https://www2.gov.bc.ca/gov/content/education-training/k-12/covid-19-safe-schools>

- 2) Mask wearing on school property is expected: please continue to maintain physical distancing while dropping off and picking up your children. Please avoid gathering in groups, as we want to model expected behaviours for our students and minimize risk.
- 3) Pick up and Drop off: Please do not use School Rd as a pick-up or drop off option. This creates safety concerns for our students and community members. If you need support with finding alternatives, please contact me. Your attention to this is greatly appreciated.

Pink Shirt Day Message: 'ACCEPTANCE'

Self-acceptance: is essential for your mental and emotional well-being. It's important to learn to love yourself and the things that make you unique.

Acceptance of others: If we can accept ourselves as the unique and special individuals we are, we are more likely to be able to accept others for being the unique and special individuals they are.

***Please share what makes you unique or what you love about yourself with your family. Ask your child(ren) what makes them special and what they love about themselves. These will be powerful conversations. Thank you for supporting our message!**
