

If you want to be involved in the Lavington School PAC here is the fine print.

The purpose of the Council will be to support, encourage, and improve the education and well-being of students, encourage parent involvement in the school, and promote cooperation between the school, homes, and the community.

How does a PAC work?

Through their elected executives from parents in the school, PACs communicate with their parent community gathering and discussing issues of importance regarding their school in order to adequately advise those that influence their school. In addition to PAC meetings, communication may also be done through, newsletters, telephone, email, and websites so that all parents have the opportunity for input.

PACs, with strong participation from parents, have an important influence on life at the school and the feelings the community has toward the school and education.

here is strong evidence that increased parent involvement in the school results in increased student achievement, accomplishment, satisfaction, and bonding all of which result in decreased dropout rates and better citizen.

All Parents of students registered in Lavington Elementary School are voting members of the Council.

PAC executive is made up of the president, vice-president, secretary, treasurer, immediate past president, and such other members of the Council as the voting membership decides. For details on each role/position please visit our website:
